Controlled Open Burning

Now that November is here, controlled open burning has started. I want to remind you about some requirements for open burning. Have a garden hose or fire extinguisher on hand and you cannot burn plastics, rubbish, or garbage to name a few. Always call Nye County Dispatch and during the day, notify the Fire Department that you are burning.

I have attached a burn permit for you to use. Fill it out and turn it into Station 1 on Farm Rd. This will help us keep track of the burns in our valley. The permit lists the materials you can and cannot burn and the hours. Any controlled burn that has material that shouldn't be burned will be extinguished.

Rich Flanagan, Fire Chief

JOB OPPORTUNITY

The Census Bureau will be having an employment event for those interested at the Beatty Library on December 4th 11-3 and at the Amargosa Library on December 5th 10-2. The Bureau only takes applications online, no need to bring a resume or any other documents but you must have an email address.

Valley Electric News

Please join me in thanking Dave Hall for his wonderful term of service representing us as Director of Valley Electric Co-Op for Amargosa Valley.

I have been selected to replace him while he handles priority family issues. Dave has said this Directors position is a daunting learning process and I can only hope to fill his shoes with the dedication he showed us. God Bless you both Pam and Dave.
