AMBULANCE SERVICE IN AMARGOSA

If we want an ambulance service in Amargosa, then we the people of the town need to step up and volunteer to become an "EMR" or an "EMT." Both take dedication and training.

"EMT" training means some nights and weekends probably over 2-3 months. It means study and commitment; it means giving up some of your time to help others in this community.

Are you this person? Will you be 18 in a few months?

We have been told we can keep the ambulance here in Amargosa for 6 months. If we do not have people trained in that time the ambulance will be removed by the county.

We need a few dedicated, hardworking, and sincere people to step up and volunteer. The help you give may save a loved one, a friend, or a stranger.

Call the Fire Department @ 372-5351, email the Fire Department @ Firedepartment@TownOfAmargosa.com, or stop by the station and sign up.

Step up, step out, and help your community.
