From the Library

I wanted to update the community on the library building expansion. We are waiting for the Senate Agriculture Appropriations bill, page 151, to be approved. However, as we know, the Federal Government does not move quickly. If everything moves in our favor, we might hear something between December and April 2024.

If things do not go in our favor, we still plan to expand the building to give us more space.

Amargosa Christian Fellowship has an **Awana Program** for children every Thursday that school is open from 3:45-5:00pm where we play games and learn about Jesus. All children and their parents are welcome to attend.

Radio Club meets every Saturday at 10 AM for check in at the Radio Shack behind the Fire Station. Feel free to stop by.

The Central Nevada Regional Water Authority (CNRWA) and Humboldt River Basin Water Authority (HRBWA) were recently granted \$15 million to purchase and retire groundwater rights from willing sellers.

Applications for the Central Nevada Hydrographic Region are available here: <https://cnrwa.com/grrp/>

Applications are also available in most member county administrative offices.

The deadline to apply is January 22, 2024.

A list of over-pumped and over-appropriated basins is online

Desde la Biblioteca:

Quería informar a la comunidad sobre la ampliación del edificio de la biblioteca. Estamos esperando que se apruebe el proyecto de ley de Asignaciones Agrícolas del Senado, página 151. Sin embargo, como sabemos, el Gobierno federal no actúa con rapidez. Si todo va a nuestro favor, es posible que escuchemos algo entre diciembre y abril de 2024.

Si las cosas no van a nuestro favor, igualmente planeamos ampliar el edificio para tener más espacio.
