PILLARS OF THE COMMUNITY

I wanted to write into this newsletter to let the community of Amargosa Valley know that we are very fortunate to have such wonderful people that live here and are true "pillars of the community!"

First, let me say that I have lived in many places in my life from coast to coast, and never in my 50-some odd years on this planet have I ever felt the sense of community and great neighborly unity with the town people as I have here in Amargosa Valley! Never before have I ever known my neighbor's names or ever really interacted with them, nor them with me...let alone have any of them reach out and offer assistance to me in a time of need.

That is why I feel compelled to say a "public" KUDOS to a few key people that have truly touched me recently, and to whom I wish to express a sincere and personal "THANK YOU", and give them a little extra appreciation and gratitude.

Those people I would like to recognize are CJ Wissmiller (formerly of the Senior Center), Jean Adams (of the Senior Center, Thrift Store and Commodities) Trevor Dolby (Dorothy's son), Diane Brigham (Jack's wife), Rebecca Donaldson and Bobby Hutchison from the post office, and of course Sunny Martell of Martell's Market, who has always been very kind and extra helpful to me.

There are, of course, other great people in Amargosa as well, like all the volunteers at Commodities who work so hard in distributing the food to the people, like Paul and the rest of the crew.(sorry guys, but I don't know all your names), and of course Leslie and Osvaldo from the library, etc.

SO, I AM GIVING YOU ALL A BIG HUGE THANK YOU FROM ME TO YOU!

-Lily
