Amargosa Valley Elementary and Middle School would like to give a HUGE THANK YOU to local businesses that helped donate!!!

At the beginning of the 2018/2019 school year, Amargosa and Beatty School Administration went to local businesses to discuss our school Incentive Program. We want to THANK the businesses that have donated and offered ideas towards the program.

THANK YOU to Longstreet Inn and Casino, U.S. Ecology, and Sunny and Ed from Martell Market.

These donations will be used for a variety of activities. The end of year celebration is our largest activity. It's sad to say we are only 4 months away from our end of year celebration. Last year, on donations, we were able to have a Field Day in the Amargosa park that included Amargosa and Beatty Students and Staff.

This event included jumping castles, water slides, games, free bbq and snow cones. This was to celebrate Beatty and Amargosa students test scores, showing growth in math and reading and no disciplinary actions for a period of time.

The donations also go towards field trips, school-wide presentations, raffles and other smaller more frequent celebrations.

These are wonderful opportunities for our school students and we can't thank the local businesses enough!
