AGENDA ITEM REQUEST FORM

PETITIONER: Carmen Brown

AGENDA ITEM MOTION DESIRED: Allow Events Committee, with Fire Department to stage a clean-up day to clear out excess equipment in Conex Boxes, Community Center, Concession Stand and Arena announcer booth. Collected items to be sold at community "yard" sale or county auction, to support Ambulance start up.

FISCAL IMPACT: Unclear at this time.

BACKGROUND: The above-named areas have become a storage area for the school and community. We have items that have been stored over 10 years plus. Several Community members have complained about this during public comment and during the "inventory" process that Ms. Minshall was over seeing
