News

A new addition is in the process of being built at Longstreet Casino, a wedding chapel! Construction should be finished mid-September. Stop by and take a peek at the new addition near the pond. Also, the fowl population at the pond has increased with a rescue from Las Vegas. Mr. Marsh rescued three geese and brought them to Amargosa to recover and to live at the casino permanently. A last addition was also added to the petting zoo in the form of Ollie, a baby water buffalo. Next time you're down, stop by and say hello.

THANK YOU!!

We live in such an amazing community.

In what I consider to be my darkest hours, right after my surgery, Lynn cooked enough food for us for a week. Edna and Mary brought pictures and a quilt that I carry from room to room.

Maureen brought food, Ed and Sunny gave me enough watermelons to keep me happy for the summer, people called with good wishes, people sent cards to speed up my recovery...everyone asked Skip how I was and if I needed anything, the library offered to deliver books to me. Sam, Rebecca, Sherry, and Pat offered to drive me to appointments and to my radiation.

Too many to recount.

It's not over yet...I will be on medication for years to come and still have some tests to go through...but I know where I belong and who I can count on. And that's all of you!!

Thank you,

Veronica.
