### Amargosa Valley Burn Policy

Due to fuel conditions, extreme heat, wind and other factors all burn permits for Amargosa Valley have been canceled until further notice. There is no burning of any kind allowed at this time. Due to the covid-19 virus... by eliminating man made incidences where firefighters would be exposed to this virus by gathering in large groups, we make sure they are healthy to fight fires that we have no control over.

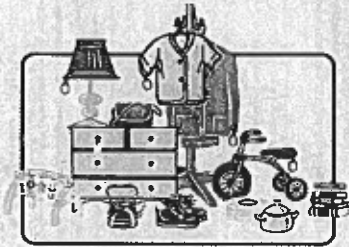

We have limited resources here in Amargosa Valley. We need to protect our volunteers as much as possible so they are available to serve our valley when needed, and to keep them and their families safe in these very trying times. The Amargosa Valley Volunteer Fire Department hopes that everyone is being safe and that residents understand the need for these restrictions. Any questions please call the Fire Department at 775-372-1111.

### Now, Gone

The dreams in our youth  
Can be the songs of our forevers  
The laughter of the past  
Can carry into now  
Tick tock the morning clock  
Becomes the midnight hour  
Because the present is a memory  
As soon as it begins  
Yesterday already past

And now – oh, now - gone soon
