The Bureau of Land Management is seeking public comment on the proposed Montezuma Gold exploration project on public lands approximately seven miles southwest of Goldfield in Esmeralda County.

If approved, Kinross Gold Corporation could explore for gold by drilling with planned modification of a total of 250 acres across 5,672 acres on public lands. The company would return modified lands to their natural state after exploration activities are complete. Any future potential mining would include further environmental review and opportunities for public comment.

Additional information, including the draft environmental assessment, is available at the [BLM National NEPA Register](#), where comments may be submitted through the 'Participate Now' option (preferred). Comments may be mailed to: Bureau of Land Management, Attention: Montezuma Exploration Project, P.O. Box 911, Tonopah, NV 89409. The comment period will close July 23, 2025.

For more information, please contact BLM Planning and Environmental Coordinator Jeff Kirkwood at BLM_NV_BMDO_P&EC_NEPA@blm.gov or (775) 635-4164

Effective July 1, 2025 and Under Nye County Code Section 8.24.250(A), residents, lessees, and tenants of Nye County may continue to dispose of household waste generated at their own residence free of charge at County-operated landfills or transfer stations, provided they present a valid State of Nevada Identification, with a Nye County address.

The Amargosa Library Friends, ALF, is sponsoring a Logo Contest for students ages 5 through 18.

Application forms are available at the Library and must be returned to the Library by August 1, 2025. The winner will receive a \$50 Walmart Gift Card and the winning Logo will be used on all ALF materials. Please note the contest is only open to children ages 5 through 18. We apologize for any confusion from the error in the June Newsletter.

Our next meeting will be September 8, 2025 at the Community Center at 6:30 pm. Over the summer our officers will be working diligently to obtain our non-profit status so your donations will be tax deductible. Have a wonderful and safe summer and we hope to see you in September.

Thank You, Claudia Bowker, Secretary

Nye County is celebrating a major victory for its residents and first responders: permanent additional funding for public safety through the Public Safety and Sales Tax (PSST) has been secured. Recent legislative action removed the expiration date from the Nye County Sales and Use Tax Act of 2007, which was set to expire on September 30, 2027, guaranteeing long-term, stable support for emergency services and critical infrastructure.
