The end of the burning season was May 26th. The Fire Department asks that people no longer do control open burns after this date. It's getting hotter and drier and fuel is everywhere after the rains last year. Please stay safe.

Ash Meadows biologists are excited to report increased numbers of one of the world's rarest fishes. Scientists counted 191 Devils Hole pupfish, which is the most fish observed during annual spring season counts in 25 years. This is good news for the critically endangered fish living in Death Valley National Park.

... El final de la temporada de incendios fue el 26 de mayo. Bomberos piden que ya no se hagan incendios controlados a aire libre después de esta fecha. Hace más calor y más sequía y hay combustible por todas partes después de las lluvias del año pasado. Por favor mantente a salvo.

... Los biólogos de la agencia están entusiasmados de informar sobre un mayor número de uno de los peces más raros del mundo. Los científicos contaron 191 cachorritos en Devils Hole, que es la mayor cantidad de peces observados durante los conteos anuales de la temporada de primavera en 25 años. Esta es una buena noticia para los peces en peligro crítico de extinción que viven en el Parque Nacional del Valle de la Muerte.

NEVADANS HAVE A WINNING ALTERNATIVE TO DC-ANNOUNCED CANDIDATES AND SINGLE-ISSUE CANDIDATES

The Associated Press

"I believe in the right to life, the right of free speech, the right to bear arms," Grady said.

DAILY CALLER

"Tony Grady — warrior, commander, conservative."

JACKY ROSEN IS **BEATABLE**

- Absentee Jacky Rosen has abandoned Nevadans. She has refused to meet with local law enforcement officials and has left rural and frontier Nevada to fend for itself against the Federal Government.
- Due to her failed leadership, only 38% of Nevada voters approve of the job she's doing in the U.S. Senate.
- In the Senate, Rosen has served as a rubber stamp for the deeply unpopular Joe Biden, voting with his agenda more than 92% of the time.
- She is ideologically to the Left of Nevada's electorate with 45% calling her a Liberal.
- Jacky Rosen is vulnerable, with a generic GOP candidate beating her 48%-46% in initial polling. That said, a generic Republican simply won't cut it in 2024.

TONY IS THE **ONLY ONE FOR THE JOB**

- "Tony Grady has the broad command experience that would make him an immediate leader in the Senate."
- Joe W. Brown, former Republican National Committeeman for Nevada
- In addition to his work on the T-1A trainer and his command of the B-2 Stealth Bomber squadron during his 20-year career in the Air Force, Tony also worked in the Pentagon where he helped develop the President's budget.
- During House and Senate Armed Services Committee meetings, Tony was responsible for escorting and briefing the generals on the Air Force's bomber program.

TONY IS THE **GRASSROOTS CANDIDATE**

- Tony's first time as a candidate in 2022 saw him winning 13 of Nevada's 17 counties, losing by less than 6 points to an entrenched candidate.
- In direct contrast to those running to be Washington D.C.'s pick, Tony is crisscrossing the state and meeting voters from every county because that's what it will take to defeat Jacky Rosen.

*Tony Grady is the **ONLY** candidate with the broad skill set necessary to serve in the Senate. He is the only candidate with a firm grasp on the military strategy, foreign policy, and economic instruments of power that make America wield.*

To ensure Republicans have the candidate needed to defeat Jacky Rosen in 2024, we need your help. Visit GradyForNevada.com today to make an investment in Tony's campaign.
